Internal export

Internal review material - not a customer quotation

SB-21 incomplete draft evidence (synthetic)

Customer: SolidBOM internal evidence (synthetic)
Exported at: 2026-11-11T14:28:33.202Z
Currency: CNY - every amount below is stated in it
Characters outside the standard font's WinAnsi set are shown as '?'; the Excel workbook carries the exact text.

DRAFT RESULT | INCOMPLETE | MISSING INPUTS | UNPINNED FEASIBILITY RECORD

Result metadata

Selected result	Draft calculation aef6cdd5-4115-4425-9529-2d1ba047b80d
Project record	v2 (pinned)
Engineering record	v0 (pinned)
Manufacturing record	v0 (pinned)
Feasibility record	v0 (read at export time)
Calculation id	aef6cdd5-4115-4425-9529-2d1ba047b80d
Calculator version	solidbom-manufacturing-baseline/1
Input hash	7ca29392046a771a5adbe43b72487172b8742e136019bbc756abe1fdb9ad0051
Result state	incomplete
Freshness labels	draft_result, incomplete_result, missing_inputs, unpinned_feasibility_record
Stale reasons	none

Cost summary

Lifetime manufacturing total (including setup)	missing
Separate setup total	0.00

Annual manufacturing cost

Year	Manufacturing cost
2028	missing

Commercial scenarios

No saved commercial scenario is part of this export.

Tooling and setup

Treatment	not selected
Project tooling investment	0.00
Projected recovery	missing
Under/over recovery	missing
Separate charge	missing

No annual tooling recovery is projected.

Separate setup lines

Owner	Setup charge
Product Unfinished draft product — missing inputs	0.00

Unresolved issues and missing inputs

4 listed entries.

Source	Code	Scope	Message
costing	missing_forecast	74cb1b0f-794e-4a84-9eee-0eccb5e1d44a	a production year inside the schedule has no positive forecast
costing	missing_product_structure	74cb1b0f-794e-4a84-9eee-0eccb5e1d44a	the quoted product's selected revision has no resolved structure
costing	missing_volume_policy	-	the project never selected a representative costing-volume policy
feasibility	feasibility_not_assessed	-	no feasibility assessment is recorded; the tube checks are not evaluated
